

There are three organizations in Aruba that deal with everything concerning restoration, protection maintenance and awareness of Aruban Monuments.

- Monuments Council
- Monuments Office
- Monuments Fund Aruba

The main objective of Monumentfund Aruba is to preserve Aruban Monuments.

**We achieve our goal by:**

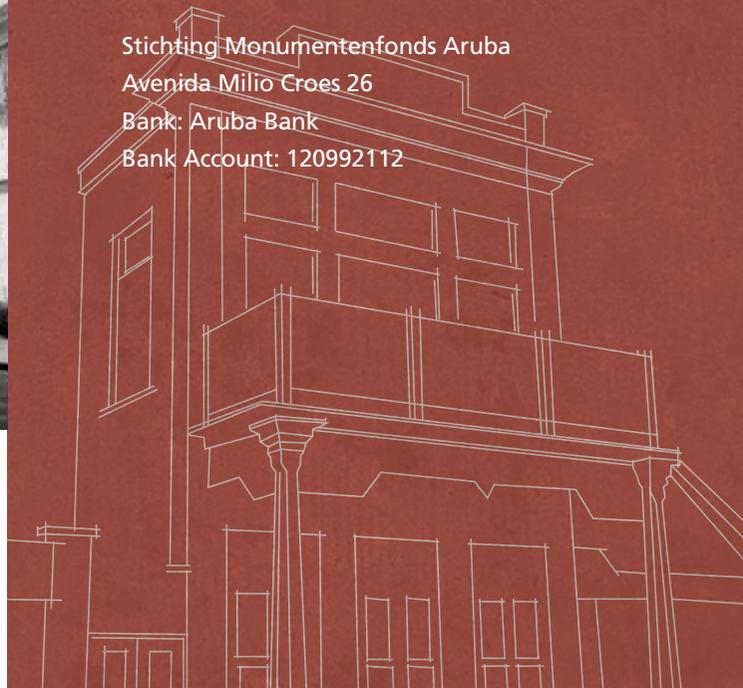

- Buying or acquiring, restoring, renting out and maintaining monuments.
- Encouraging awareness of monuments through photo contests, media, exhibitions, education and cultural activities.
- Giving advice to monument owners.
